You may have noticed that our order form has changed, which is due to additional information we have received on the jackets as well as the complexity of having so many choices (jacket styles, jacket colors, sizes, logo design, thread colors, & shipping requirements).

Here are some helpful hints to be sure you are aware of all of the pricing and sizing structures.

- You must be an MSRA member with an active MSRA # before placing an order.
- All orders are placed on the 3rd Tuesday of the month.
- On the form you will find 3 small raised #'s, which look like this ¹ ² ³ near the 'dollar amounts' on the order form which relate to the descriptions within the order form; you will need to pay special attention to these as they will affect the pricing of your order.
 - ¹ refers to your jacket type. Each has its own price depending on style and lining.
 - ² refers to HERO colors. If ordering a color other than basic black wool with black sleeves, there is an additional charge, and you must allow 8 weeks for delivery.
 - ³ refers to additional charges if ordering sizes in LT or larger.
- Shipping charges are based on jacket type and if you ship to Canada.
- Christmas orders must be received by 3rd Tuesday in October to assure delivery before December 24th.

Thank you.
