

These are stations that provide non-oxygenated (ethanol free) gasoline in Minnesota & Wisconsin. Please patronize these stations during the cruising season & year-round with your daily drivers. Remind them that we count on them for non-oxygenated fuel for our collector cars & be sure to thank them for carrying non-oxy fuel.

***Please contact a Legislative Committee member if:**

*You know of a station that carries non-oxy & is not on this list. **To add a station to the list, the station phone number is required so we can call to verify all information.**

*You see a station on this list that no longer carries non-oxy or if you see any errors on the list. Go to www.msra.com for a list of the Legislative Committee Members.

This list is sorted first by city, then alphabetical by station, to make it easy to locate stations as you travel.
