Outstate Car Show Update

By Dale Sohlstrom #L1134

Correction in the date for the Prime Steel Car Show

I must apologize. I had what I thought was the correct date for the Prime Steel Car Show in Grand Forks listed in the February *LineChaser*. I was wrong, and the correct date is April 30th and May 1st, 2016. With that date there is no conflict with the GSTA show, and the weather should be quite pleasant. The Prime Steel show is always an excellent show, with lots of fun things to do in and around the Grand Forks area. I invite you to bring your car to the show and display it in the MSRA display along with the other fine cars that will be in the show. To get more information, call me at 218-525-3056. Thanks!

More Outstate Car Shows

Along with the Prime Steel Car Show in Grand Forks, MSRA will have a display in the Motorhead Madness show in Duluth on March 19-20, as well as a display in the Toppers show in Fargo the weekend of April 2-3. I am just about full for the Motorhead Madness, but I'm still looking for a few more cars for the Toppers show, as well as the Prime Steel show. Plan to put your car in our display, and come on out for a fun weekend at any of these shows. They are always a good time!

2016 Fall Campout

By Merle Gallant #113
President Northern Tin Street Rod Association

The Northern Tin Street Rod Association is proud to be able to once again welcome you back to the Brainerd Lakes Area for the 2016 MSRA Fall Campout. It has been over 10 years since we last hosted the campout and already we have a lot of plans in place to provide a fun and entertaining weekend as those of you who attended in the past are sure to remember. We will once more use the facilities at the Crow Wing County Fairgrounds for camping and other activities. Those who wish other lodging facilities will find the included motel list helpful in making advance reservations as rooms are still quite full at that time of the year in the Brainerd area. A much more detailed article on the schedule of events for the campout will follow in a few months.
