Correction in the date for the Prime Steel Car Show

I must apologize. I had what I thought was the correct date for the Prime Steel Car Show in Grand Forks listed in the February *LineChaser*. I was wrong, and the correct date is April 30th and May 1st, 2016. With that date there is no conflict with the GSTA show, and the weather should be quite pleasant. The Prime Steel show is always an excellent show, with lots of fun things to do in and around the Grand Forks area. I invite you to bring your car to the show and display it in the MSRA display along with the other fine cars that will be in the show. To get more information, call me at 218-525-3056. Thanks!

More Outstate Car Shows

Along with the Prime Steel Car Show in Grand Forks, MSRA will have a display in the Motorhead Madness show in Duluth on March 19-20, as well as a display in the Toppers show in Fargo the weekend of April 2-3. I am just about full for the Motorhead Madness, but I'm still looking for a few more cars for the Toppers show, as well as the Prime Steel show. Plan to put your car in our display, and come on out for a fun weekend at any of these shows. They are always a good time!

Hastings Saturday Night Cruise-In

By Tony Berens

Submitted by Dennis Felling #2557

This popular event begins its 2016 season in June. We expect some unavoidable inconveniences this year. Second Street, Hastings' primary downtown business thoroughfare, will be under street and curb reconstruction for most of the summer. It is our goal to have any construction equipment removed from the roadway for our Saturday events. Furthermore, the lot referred to as the "upper lot" at the South end of town will have construction underway erecting a new structure.

One consideration was suspending the shows for 2016, but the decision was made to accommodate our Saturday pm car visitors. We ask that guests to our city remember that this

is a commercial business district and parking is obviously important for their customers. Our shows begin at 5:00pm and any time prior is for business patrons only. Keeping that thought in mind, increased parking enforcement will be more obvious this year. We will distribute flyers this year with rules clearly stated. Please be considerate in your parking, follow the rules and all should go rather seamlessly.

Please note, there have been some incorrect dates for 2016 posted on the Internet. The actual Saturday dates are as follows: June 11; June 25; July 9; July 23; August 6; August 20, and September 3. That is a total of seven nights. Cruise-in begins at 5:00pm and runs to 9:00pm. Open to all vehicles 1976 and older. Food is available at local restaurants and food trucks. A FUN NIGHT FOR ALL!

2016 Fall Campout

By Merle Gallant #113
President Northern Tin Street Rod Association

The Northern Tin Street Rod Association is proud to be able to once again welcome you back to the Brainerd Lakes Area for the 2016 MSRA Fall Campout. It has been over 10 years since we last hosted the campout and already we have a lot of plans in place to provide a fun and entertaining weekend as those of you who attended in the past are sure to remember. We will once more use the facilities at the Crow Wing County Fairgrounds for camping and other activities. Those who wish other lodging facilities will find the included motel list helpful in making advance reservations as rooms are still quite full at that time of the year in the Brainerd area. A much more detailed article on the schedule of events for the campout will follow in a few months.
