2016 MSRA Fall Campout Brainerd, MN September 10-11, 2016

By Merle Gallant #113

The Northern Tin Street Rod Association is proud to be able to once again welcome you back to the Brainerd Lakes Area for the 2016 MSRA Fall Campout. We will once more use the facilities at the Crow Wing County Fairgrounds for camping and other activities. We have a big event planned with enough activities to keep everyone busy! Or if you prefer, relax by your campfire and listen to the band. A Saturday morning voting event car show in a shaded city park followed by an afternoon of garage tours, minigolf, go carts, antique shop tours on vintage tour buses, walk the kids through Safari North Wildlife Park or jump in your street rod and go on the mystery tour with the provided map.

Both Friday and Saturday night meals will be catered at the fairgrounds in the Curling Building. Friday night there will be a big bonfire along with a very entertaining band both evenings. Those wishing to come early can also camp at the fairgrounds Thursday night, but you will be responsible to pay this on your own when you check in at the fairgrounds for the extra night.

Those who wish other lodging facilities will find the included motel list helpful in making advance reservations as rooms are still quite full at that time of the year in the Brainerd area. There will be NO MSRA membership renewals or new memberships taken at the campout.

Hastings Saturday Night Cruise-In

By Tony Berens

Submitted by Dennis Felling #2557

This popular event begins its 2016 season in June. We expect some unavoidable inconveniences this year. Second Street, Hastings' primary downtown business thoroughfare, will be under street and curb reconstruction for most of the summer. It is our goal to have any construction equipment removed from the roadway for our Saturday events. Furthermore, the lot referred to as the "upper lot" at the South end of town will have construction underway erecting a new structure.

One consideration was suspending the shows for 2016, but the decision was made to accommodate our Saturday pm car visitors. We ask that guests to our city remember that this

is a commercial business district and parking is obviously important for their customers. Our shows begin at 5:00pm and any time prior is for business patrons only. Keeping that thought in mind, increased parking enforcement will be more obvious this year. We will distribute flyers this year with rules clearly stated. Please be considerate in your parking, follow the rules and all should go rather seamlessly.

Please note, there have been some incorrect dates for 2016 posted on the Internet. The actual Saturday dates are as follows: June 11; June 25; July 9; July 23; August 6; August 20, and September 3. That is a total of seven nights. Cruise-in begins at 5:00pm and runs to 9:00pm. Open to all vehicles 1976 and older. Food is available at local restaurants and food trucks. A FUN NIGHT FOR ALL!
