

Ethanol Free Fuel Directory

Help Keep Non-Oxy Premium Available!

The MSRA Legislative Committee supports the SEMA Action Network (SAN). We work on issues and legislation affecting our hobby in Minnesota. SAN fights for our hobby in Washington D.C.

The federal government in 2005 and 2007 mandated **increasing levels of ethanol that must be used each year in ethanol-blended gasoline.** SAN is working on our behalf to reduce those artificial mandated levels. **Minnesota's right to use non-oxy premium gas in Street Rods (collector vehicles, snowmobiles, outboards, lawn mowers, etc.) will be in danger if those mandated levels are not rolled back!**

Help the cause by enlisting on the SAN website (www.semasan.com/join). It's free. There's no marketing involved. Legislative-related information is ALL you will receive.

You can also pick up a registration form at any MSRA meeting, at the Back to the 50's MSRA Legislative Committee Tent or contact an MSRA Legislative Committee member.

These are stations that provide non-oxygenated (ethanol free) gasoline in Minnesota & Wisconsin. For other states check pure-gas.org. Please patronize these stations during the cruising season & year-round with your daily drivers. Remind them that we count on them for non-oxygenated fuel for our collector cars & be sure to thank them for carrying non-oxy fuel.

***Please contact a Legislative Committee member if:**

*You know of a station that carries non-oxy & is not on this list. **To add a station to the list, the station phone number is required so we can call to verify all information.**

*You see a station on this list that no longer carries non-oxy or if you see any errors on the list. The Legislative Committee Members are listed at the end of this listing.

This list is sorted first by city, then alphabetical by station, to make it easy to locate stations as you travel.

MINNESOTA STREET ROD ASSOCIATION

MSRA Legislative Committee

Thank you to all our gas stations who appreciate our business by providing non-oxy gasoline for our street rods.
Be sure to thank the station manager for this courtesy extended to us.
