2022 Back to the 50's is in our rearview mirror but you can relive all the great fun and memories over the next few months.

Watch for pictures and stories starting in the August *LineChaser*. Counting down the days until the 2023 Back to the 50's...

From Your Back to the 50's Volunteer Coordinator:

THANK YOU THANK YOU THANK YOU!! You guys are incredible! Back to the 50's is an all-volunteer show put on by over two thousand loyal hardworking volunteers! I am overwhelmed by the generosity of our members and friends who step up year after year to make this event great. Besides the thousands of hours it takes to plan for this show, there are over 4,000 shifts that makes our show such a tremendous success.

If you worked one shift or ten shifts, YOU made this adventure a fabulous experience for everyone. Our hard-working coordinators knock it out of the park year after year. My hat is off to you. For all the spectators, participants, and volunteers – thank you. You stepped up and offered to help in any way you could. That made this show such a pleasure to be a part of. I saw many new faces this year volunteering for the first time, how cool!

I will look for those volunteer shirts proudly worn all summer – and look forward to working with you again next year.

Princeton Swap Meet & Car Show

By Steve Thaumert, Sr #21186

The Princeton Swap Meet & Car Show was held on May 21, 2022, and I would like to thank all the people for coming out to our 13th annual event.

It was good to see all the cars and swappers again. The weather was sunny, which is better than rain, but yet it was on the cool side.

I also would like to thank the Zimmerman American Legion bike club for all their help; they are a non-profit organization who raise funds for our Veterans, and the show was held on Armed Forces Day. Without their help the show would not have happened, so it was so appreciated!

Once again, it was a great turnout of show vehicles, swappers, vendors, and spectators. It's about getting people out there, amazing cars, buying, selling, looking, listening to great music, and enjoying the day!

Thanks to everyone!

Super Secret Fun Run

By Tom Vollbrecht, Jr. #L7023

Join us for the 17th edition of the MSRA Super Secret Fun Run on August 26-28, 2022. Once again, the event will be held at Brainerd International Speedway in Brainerd, MN. The rules have been pretty much unchanged since the inception of this event. **This event is for current MSRA members only, open to 1995 and older vehicles.** If you own a later model car (1996 or newer) and you want to bring it to Brainerd, you are welcome to do so but you can't participate in any of the on-track activities.

Back by popular demand. All day Friday, MSRA members will be able to drive their cars around the 2.5-mile Competition Road Course at BIR. While the details pertaining to the use of the Road Course are still being ironed out. We will have more information at the gate.

The Super Secret Fun Run is an MSRA Voting Event this year. The Voting Event will take place in the area between the condos and the main grandstand (on the south side of the drag strip). The Voting Event will be from 10:30am – 12:30pm on Saturday, August 27th.

As in the past, drag racing will take place all day on both Saturday and Sunday, weather permitting. MSRA members will be allowed to make passes down the drag strip provided their cars pass the on-site NHRA Tech & Safety Inspection conducted by the staff of BIR. Your vehicle must have the minimum required safety equipment for the speed and ET your vehicle runs in order to make a pass down the drag strip. Some examples of missed items from previous years are: missing or improperly installed seat belts, missing or leaking coolant overflow tank, missing or broken battery hold down, nylon tubing used for mechanical oil pressure gauges and missing or expired helmet. **Helmets must be Snell 2010 or newer.** If you don't pass Tech, you do not get to run your car.

Camping is handled by the staff at BIR. You can call them to reserve a campsite at 218-824-7223 or 866-444-4455. Camping prices are the same as last year as well, \$10 per person/per night to camp. This gets you a wristband and the ability to camp in the "rustic camping" area of the track. If you want a reserved VIP campsite with full hook-ups (electric, water & sewer) those are an additional \$45 per night. If camping is not your style, you can also rent one of their condos or stay at one of the many hotels in the Brainerd Lakes area.

MSRA members that would like to bring a motorized auxiliary vehicle will be required to pay a \$10 fee. All non-licensed motorized vehicles (any vehicle that doesn't have current state roadworthy licensing) will require an authorization sticker to operate on BIR grounds. The authorization stickers will be available for sale at the front gate during the event. To purchase a non-licensed vehicle ticket, an adult (over 18 years old) with a valid driver's license must sign a release waiver and take full responsibility for that vehicle and any and all injuries/damages it causes. For more track info visit their website www.brainerdraceway.com.

MSRA will NOT be providing food on Friday and Saturday evenings again this year. There will be food available for purchase at the track and in the surrounding area.

Local noise ordinances prohibit the starting of any unmuffled vehicles or loud music between the hours of 9:00pm - 9:00am (no generators between the hours of 11:00pm – 7:00am). **Also, NO FIREWORKS are allowed.** Failure to adhere to these simple rules will result in members being removed from the event and not allowed to attend in the future. All decisions of the MSRA Board of Directors and the staff at BIR are final.

You can listen to the track announcers all weekend as well on 105.3 FM (drag strip) and 87.9 FM (road course). If you have any questions, please feel free to contact any one of us:
