

Ethanol Free Fuel Directory

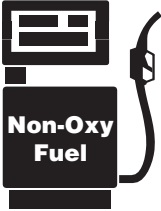

WE'VE ADDED A RACING GAS SECTION TOWARD THE BACK – PLEASE CHECK IT OUT!

Help Keep Non-Oxy Premium Available!

You can pick up a SEMA Action Network (SAN) registration form at any MSRA meeting, at the Back to the 50's MSRA Legislative Committee Tent or contact an MSRA Legislative Committee member.

These are stations that provide non-oxygenated (ethanol free) gasoline in Minnesota & Wisconsin. For other states check pure-gas.org. Please patronize these stations during the cruising season & year-round with your daily drivers. Remind them that we count on them for non-oxygenated fuel for our collector cars & be sure to thank them for carrying non-oxy fuel.

**Please contact a Legislative Committee member if:*

**You know of a station that carries non-oxy & is not on this list. To add a station to the list, the station phone number is required so we can call to verify all information.*

**You see a station on this list that no longer carries non-oxy or if you see any errors on the list.*

The Legislative Committee Members are listed at the end of this listing. This list will be printed once this year. You can pick up a copy at any MSRA meeting, at the Back to the 50's MSRA Legislative Committee Tent or contact an MSRA Legislative Committee member.

***stations supplying racing gas**

This list is sorted first by city, then alphabetical by station, to make it easy to locate stations as you travel.
