

Ethanol Free Fuel Directory

The Scag 1
Circa 1959

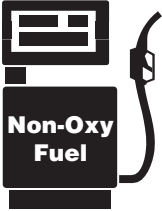

**WE'VE ADDED A RACING GAS SECTION
TOWARD THE BACK – PLEASE CHECK IT OUT!**

Help Keep Non-Oxy Premium Available!

**FIGHT UNFAIR
AUTOMOTIVE LAWS**

You can pick up a SEMA Action Network (SAN) registration form at any MSRA meeting, at the Back to the 50's MSRA Legislative Committee Tent or contact an MSRA Legislative Committee member.

These are stations that provide non-oxygenated (ethanol free) gasoline that we know of in Minnesota & Wisconsin. A current listing is also available on the MSRA website (www.MSRA.com). For other states check **pure-gas.org**. Please patronize these stations and thank them for carrying non-oxy gas for our collector cars (and lawnmowers, outboards, ATVs, snowmobiles, etc.).

These booklets are sent with the MSRA Directory in April and are also available at the Legislative Committee tent at Back to the 50's. Any remaining booklets will be available at the monthly membership meetings.

If you find a station that isn't on the list or is on the list and no longer carries non-oxy gas, please let Marty Moody know (651-455-7342 or mdmoody1@msn.com). We'd also like to identify more stations that carry **racing fuel**. Leave a message with the station name, address, and telephone number.

Stations that have **racing gas** are marked with an * and are also listed at the end of the booklet.

This list is sorted first by city, then alphabetical by station, to make it easy to locate stations as you travel.
